WORK EXPERIENCE

Applied Systems

Product Marketing Intern

Atlanta, GA

June 2026 – August 2026

- Built a centralized Confluence hub per product, streamlining sales prep and cross-team access to key information
- Developed an AI quote-finder agent to surface customer quotes for sales pitches, cutting their manual search time
- Led outreach for customer testimonials, and used AI tools to produce marketing assets: blogs, case studies, videos

Teklead Corp

Financial Administrative Assistant

Los Angeles, CA

May 2025 – Present

- Reconcile and audit multi-account financial records, ensuring transactional accuracy across company operations
- Organize reports, hours, and the approval status into a consolidated spreadsheet to document company operations

Pendolino

Hostess

Atlanta, GA

July 2024 – Sept 2024

- Utilized OpenTable software to efficiently manage seating arrangements and optimize the flow of the restaurant

Westminster Summer Camp and Sears Pool Management

Lifeguard

Atlanta, GA

June 2021 – July 2024

- Completed Red Cross Certification, monitored pool to prevent accidental injuries, and prevented risk for patrons

PROJECTS

FlashCard App

Partner

Los Angeles, CA

April 2026 – June 2026

- Built frontend using React, TypeScript, and Tailwind, integrating Gemini to auto-generate notes flashcard decks
- Containerized the app with Docker and deployed to Google Kubernetes Engine with automated CI/CD pipeline

Clean Consulting Case Competition

Runner-up

Los Angeles, CA

April 2026 – May 2026

- Presented sustainability recommendations for LAX's Zero Carbon Built Environment track to top industry judges
- Designed TNC electrification strategy using tiered access fees and EV charging to cut ground transport emissions

RecipEasy

Team Member

Los Angeles, CA

October 2025 – December 2025

- Designed and developed a full-stack web application integrating AI-powered recipe generation prompted by users
- Implemented backend services using Node.js and RESTful APIs to manage user authentication and AI prompting
- Developed a responsive user interface using React and Tailwind CSS, ensuring flexible and cohesive page layouts

No Internet

Team Member

Los Angeles, CA

January 2026 – March 2026

- Spearheaded our team project to reimagine the iconic Chrome dinosaur game as a fully immersive 3D experience
- Monitored team workflows hit our milestones and presented final, communicating trade-offs & lessons learned
